**Interests:** I was born and educated in Pocatello, attending Pocatello High School and pursuing a liberal arts degree from Idaho State University, surprising those close to me when I did not become a teacher. I am the mother of two and grandmother of five. All of my grandkids have attended Holy Spirit Catholic School.

I find tremendous enjoyment in being the librarian at HSCS. Each day spent with the students, my heart becomes more full with love for them and their quest to learn more and conquer the world. Two of my favorite things in the world are children and books and I am blessed to have this opportunity to surround myself with both. If I can instill a love of books and a keen knowledge of words to my students, I will have met with success.
