

David Berry

**Teacher, Physical Education
At HSCS since 2010**

Education:

North Central High School, Spokane, WA

Attended Spokane Falls Community College and Idaho State University

Experience:

Eight years as the Physical Education teacher at Holy Spirit Catholic School
Basketball and Volleyball Coach

Interests:

Although I always enjoy embarking on new adventures and taking up new hobbies, the best part of my life is my family. My wife and I have been married for twenty-seven years. During these years, we have had the amazing opportunity to bring two incredible children into this world, who are both alumni of Holy Spirit Catholic School. They are both currently college students at Idaho State University. I strongly believe in physical health and activities that promote physical health. In high school I was active in wrestling, tennis and football. My current favorite hobbies and activities include traveling, tennis, golfing, hunting, fishing, hiking and reading.
