Nan-o-Gram

Mardi Gras energy is ramping up! We're counting down the days to the big event! I want to thank you for the absolutely beautiful, thoughtful, clever, and fun donations this year. The selections are so diversified that I guarantee there will be something to fit everyone's taste and pocketbook, items that we have never had before! We have

scads of auction items in addition to the ever-popular Wagon of Cheer, Dessert Dash, Wall of Wine, and on-site raffles. Teachers and students in preschool through 8th grades have

worked very hard to prepare classroom items to bid on too...it's always special to have your child's memorabilia.

Tickets are on sale now in the office and we really need folks to come! If you have *never* been to one of these epic events, I really encourage you to come to this grand party! Your ticket includes the buffet dinner with a beverage plus a chance to win \$100.00. Dinner provided by Corey Wight and his Sand Trap Grill crew just gets better and better every year!

It's a wonderful adult evening set with great fun, food, friendship, and auction opportunities all to financially help our fine school. Dress as wildly as you like or casual and comfortable. This event is for all of us to come together to celebrate our successful school and your terrific kids!

Keep reading to your amazing children!
Mrs. Corgiat

MID TERM GRADES

Parents of 4th - 8th grade students, did you remember to check out your child's midterm grades? If not, grades can be reviewed through your *FastDirect* account.

Coffee and Cookies

Remember to stop by the school for a cup of coffee and a cookie tomorrow morning in appreciation for all that you do for the school. We will have coffee stations out on the playground, in the main school and cafeteria. You are also welcome to visit your child's classroom as well as joining us for our morning meeting in the church at 8:30.

MOUNTAIN BIKE RAFFLE

We will be having the middle school student council raffle drawing for the mountain bike on Monday, Feb. 5. Tickets can still be purchased in the office for \$2.00 each, 3 for \$5.00 or 7 for \$10.00. This *Mongoose Spectra* bike was generously donated by Isaiah Leonard. All proceeds will go towards the Lego/Robotics competition.

*Speaking of Lego Robotics...
We want to wish our teams good luck as they head to the state tournament this Saturday over in Twin Falls.
Travel safe. Have fun. Make us proud!*

FIRST RECONCILIATION

Please keep the second graders who will be making their *First Reconciliation* this Saturday in your prayers. God Bless.

THANK YOU!

Thank you to everyone who attended last Sunday's All School Mass. It was a great representation of our school! Thank you also for everyone who brought goodies to share at the coffee hour. And a very special thank you to Caroline Wight and Darby Christensen who spoke so well about our school following Mass. You said it perfectly!!

Enjoy your weekend!
