Interests:

A great passion of mine is to teach and to learn, especially music. Music makes the world a little brighter and brings joy to those who participate and listen. Teaching music to middle school students has proved to be a great experience, they are so eager to learn that it makes the process so much more fun.

I was formerly Ms. Folkman, but I recently got married to my wonderful husband, Austin, this summer. We love living here in Pocatello and enjoy traveling together and visiting with our families. I am currently finishing my degree in Music Education at ISU while teaching privately for the ISU Preparatory String Program and for Holy Spirit.
