### Nan-o-Gram

The 29<sup>th</sup> Annual Holy Spirit Invitational Basketball Tournament was a spectacular success! We are very proud to announce that our Holy Spirit teams played their hearts out and represented so well our school and parish community. Not only did the coaches and players demonstrate fair play and self-control in a highly energetic setting, but our HSCS 5<sup>th</sup>/6<sup>th</sup> grade girls' team brought home for the second year in a row the coveted Mike Long Sportsmanship Award Girls Senior Division!

Sincerest thanks to the many who gave their time, talents, treasures and countless hours to create this amazing event for the hundreds of kids, families, and our community. First and foremost kudos to tournament directors Jon Smith and Chris Richmond, Marie Smith behind the scenes organizing every tiny detail so very well; photographer Greg McReynolds for great team and action photos; scorekeeping coordinator Dave Berry; the Moldenhauer family, Emily Melick, and Dan and Julia Melton for organizing concessions; Dave Reichelt for securing and scheduling the referees; Paul Anderson, for providing the sound system; Margie Gabiola and staff for planning a beautiful Mass, and Fr. Roger LaChance for celebrating that Mass with over 1300 people in attendance in ISU's Reed Gym. The entire event was just so awesome!

And lastly, but most importantly, this tournament would *never* get off the ground without our supportive staff, parents, guardians, and fans who generously volunteer lots of time and energy during a long three days to ensure a successful tournament. In a nutshell, there would be no tournament without you volunteers helping in every area from coaching to scorekeeping to concessions and everything in between. I highly appreciated your smiles, dedication, and upbeat spirit!

Thank you, thank you, thank you all!  
Easter blessings!
