HALLOWEEN TRUNK OR TREAT & CARNIVAL

It’s time for some Halloween fun! On Friday, Oct. 27 the following Halloween celebrations will be taking place here at HSCS:

Trunk or Treat – This is one of our most anticipated events of the school year! Parents park their decorated (or not) cars on the school playground and the kids go from car to car “Trunk or Treating.” Cars will be allowed to come onto the playground beginning at 6:15 p.m. with Trunk or Treat beginning at 6:45 p.m. Parking spot signup sheets are posted in the main school hallway. This is great fun for students and parents alike.

Carnival – Open from 7:15 p.m. – 8:15 p.m. in the school gym. Tickets are \$5.00 per family.

Due to the number of students that attend, candy donations are welcome and can be used as one service hour for every \$15.00 spent!

Don’t forget the following when purchasing or making your child’s costume: no demonic, ghoulish, bloody, or crude costumes are allowed. If you still have questions regarding your child’s costume, have your child discuss it with their teacher or Mrs. Corgiat as students will not be allowed to wear inappropriate costumes at school functions.

SCRIP CONFUSION

First, we would like to thank those of you who have been dedicated to using the SCRIP program. It is very much appreciated and we are excited to be able to say that 3 families have already surpassed the \$500.00 mark and are now earning money towards their tuition just by using SCRIP for their regular purchases! With so many months still left in the school year and the holidays quickly approaching we anticipate that many more families will join them in this accomplishment. Congratulations!

It has also come to our attention that getting started in the program has not been as easy for many of you as we had hoped. Several of you have reached out for help and we want to assure you that we are listening. We are pleased to inform you that we have posted links to some tutorial videos that cover a number of topics beginning with how to access your account, ordering online (which gives you more options in denomination amounts), reloading cards, presto pay, and ending with how to use the mobile option for SCRIP. The information should help all of you become SCRIP experts! We encourage those of you with questions to take a look as we feel they can help you get started.

Thank you for challenging us to find ways to better keep you informed and involved. Please know that we are here to help you in any way possible and if you’d like further help please contact me and I’ll be happy to sit down with you and get you started.

EVERGREEN WREATHS

Before we know it, Christmas will be here with all its "busy-ness" – decorating, shopping, and celebrating as we prepare for the birth of Christ. Make decorating easier by purchasing holiday greenery, wreaths and garlands, from one of our fifth grade students. By purchasing this greenery you are helping them pay for their trip to Yellowstone National Park next spring. If you are interested in purchasing one or several (they make great gifts for that hard to buy for person), contact either a fifth grade student or Mrs. Preston. Ho-ho-ho!
