Diana Shipley
Teacher, Elementary Music
At HSCS since 2001

Education BA in Music Education from Idaho State University (2000)

Experience HSCS for 15 years; Pocatello Community Charter School for 8 years; private lesson on guitar, piano and voice for 8 years. Presented at the Early Childhood Conference at ISU and the Teton Valley Community School on *Music in Early Childhood Education*

Interests I love to camp/hike/be outdoors. I enjoy raveling, reading, gardening, being on/in or near the water, riding horses, beading, sewing, and painting old furniture. I love working with kids of all ages, involving them in music. Being part of an ensemble is an incredible experience and forms a strong community feeling. One of my favorite activities is playing music with friends, singing, harmonizing, and drumming. That passion for music is what compels me to share singing/playing/dancing with 3-4 year olds up to 14 year olds. And beyond!!
