## **Sr. Paul Mary**

**Director, Child Care and Pre 3 and 4  
At HSCS Middle School since 2016**

My name is Sister Paul Mary and I am a Franciscan Sister of the Eucharist. In 2003, I received a Bachelor's of Education degree in Early Childhood Education from St. Joseph College in Connecticut. 10 years later in December of 2013, I completed a Masters of Education degree in Early Childhood Education and Special Education from Idaho State University. Currently, I am working toward a Masters of Theology through an online program at Holy Apostles College and Seminary in Cromwell, Connecticut. God willing, I will complete that in May of 2019.

I love being a teacher and have been educating children in a wide variety of environments for 27 years. I have taught children ages six weeks through twelve years old in four different states and to many diverse children. 16 of those years have been in preschool and daycare settings. I have experience in being a director of a program, as well as the lead teacher of several programs.

I am excited to be a part of Holy Spirit Catholic School. The most exciting role and greatest gift of my work as a teacher is to help students and their families to grow in their faith as they come to know and love Christ.

As the director of the ELF program, my hope is to support children and their families to grow in their faith, learn to their potential, and assist them in understanding the value of service.
