

January 2, 2019

Dear _____:

You are invited to an exciting event contributing to the education of the students at one of Pocatello's historic educational institutions: Holy Spirit Catholic School.

Red Carpet Gala is the theme of the dinner/auction with all proceeds helping provide general education needs for the students at HSCS. This event is being hosted by Phil-Meador Courtesy Ford at 1600 Flandro Avenue on February 9. A silent auction of hundreds of items will begin at 5:00 pm. Corey Wight from the Sand Trap will cater a delicious dinner beginning at 6:45 with a lively and fun live auction following dinner.

We are asking for your sponsorship of a table at this fun event. Sponsorship includes tickets and a reserved table for eight for \$750. Your company will be featured in a full-page add in our auction booklet as well as being recognized during the live auction and on our website as a sponsor. Holy Spirit Catholic School is a not-for-profit 501-c3 institution so your sponsorship may also qualify for tax incentives.

Holy Spirit Catholic School has received the highest accreditation possible given by the Western Catholic Education Association. It serves students from Pre-3 through 8th grade with consistent high scores and award-winning projects. The school is involved in many community support services including several food supplement programs, elderly technology education, elderly education, working at the St. Vincent de Paul charitable organization, and many other programs. The students are leaders in STEM competitive programs like the Science Olympiad, LEGO Robotics Competitions, and Math Counts Competitions where they are always state competitors. They are involved in many school sponsored athletic events and have won titles for many of their leagues. The majority of HSCS students graduate from high school with honors and have a 95% rate of attending higher education after graduation.

You can see your donation will not be wasted on these children as they become our morally responsible future leaders. Thank you for your support.

Respectfully,

Marie Smith
