**Interests:** I am Meg VanMinsel (a.k.a. "Pirate Meg") a name I inherited while working in Kindergarten at Holy Spirit Catholic School. I have been an aide for the past 7 years and thoroughly enjoy watching the amazing 5 year olds master their reading skills, becoming future scientists, as well as letting their imaginations take them on fantastic adventures. I love being able to share my Catholic faith with every kindergarten student. It is a wonderful feeling knowing that Jesus is alive and well in each and every one of these young people.

I have been a member of our Pocatello Catholic Community for 32 years. I am married to my best friend and wonderful husband Ray. Katie (Sullivan) Mickelson is our daughter and attended St. Anthony School. Our granddaughter, Grace Mickelson, has been enrolled at our school since 3 year old preschool and will be in 7th grade this fall. Cole and Chance Weber, our nephews, are also alumni of the school.
